

## School Improvement Plan 2006 - 2007

### Key Issues

Following on from our Ofsted inspection in June 2005, 2 items require further development and these will continue to be the focus of this years School Improvement Plan

- Writing – Further staff training, targets to be shared with children and parents, more opportunities to be given for extended written work and cross curricular writing. To target key groups including boys
- Presentation – Clear guidelines to be given, Pens for all KS2 children. Displays of good handwriting and class scrutiny by head teacher

### Priority A – Raising Standards

- English – Introduce new Literacy framework
- Basic skills – renewal of Quality mark
- P.E – To develop new resources and training for staff. To provide specialist coaches for specific sports activities and encourage participation in inter-school sports competitions
- Geography/ICT/Art & Design – Further development of resources and cross curricular uses
- Governor Training- extended schools agenda

### Priority B– Improving the School

- New Hall Project
- New car park and landscaping
- Interactive white board – for nursery

### Priority C – Developing Personal, Social and Health skills

- Promotion of healthy living
- Developing speaking & listening
- After school activities – Using new school facilities out of hours for pupils
- Extended Schools Agenda - Using new school facilities out of hours for community activities
