

# PRESTON PRIMARY SCHOOL

SPRING TERM 2019

## WEEK SIX

I hope you are all looking forward to half term and spending time with your wonderful children. We have had another great half term this term. There has been lots of sporting fixtures that we have been involved in, some trips out for our pupil ambassadors and also a special event our Digital Leaders took part in around safer internet day.

### **SATS Events**

Parents of children in Year 2 and Year 6, watch out for letters about events in these year groups with regards to the statutory process your child will be taking place in. Please do try and come along.

### **Advance Warning- 7<sup>th</sup> March World Book Day**

School will once again be celebrating World Book Day and as part of this the children can come dressed as a book character. If they can bring in the book to share too that would be great. Please do stick to people from books, not just 'I am from a football album' as this does then form part of the discussion for the day. The main event of the day will be a book extravaganza with all children being able to purchase some top quality books for just £1.

### **Digital Leaders**

We have trained a group of Digital Leaders in school, who are ambassadors for e-safety and teach the other children throughout school about keeping themselves safe. This week they went across to Yarm School and collaborated with a host of other schools on how they promote e-safety in their own schools. As always they were amazing ambassadors for Preston in terms of their collaboration, cooperation and behavior – well done children.

### **Swimming Gala/ Netball**

Mrs Gray, our sports coordinator, has been very busy this week taking children to both swimming and netball events. The children were amazing! We had lots of wins, a bucketful of resilience when things didn't go our way and most of all- smiles on our faces! Well done to all of the children who have participated in extracurricular sports this week.

I hope you all have an enjoyable half term, hopefully we will manage to kick the bugs that have been lingering over the last few weeks with a break. School opens once again on Monday 25<sup>th</sup> February at 8.40am.
