We are in TESCO again – please ask for your blue token to help us out

Welcome Back

We hope you had a great Summer holiday, the weather was extremely kind this year. The children are all really excited to be back into the swing of things and it is fantastic to see all of their smiley faces again. Thank you so much for getting back into the swing of things so quickly and for following our policies on uniform; it really does help the level of equality in school.

New Families and Colleagues

We would like to extend a huge Preston welcome to all of the new families that have joined our Preston Family. We thank you for choosing our school and trusting us with your children. We know that it is always tough handing your children to someone new, but remember we are here to help no question is a silly one, just ask. A warm welcome to our newest members of staff, I am sure you will meet them all in due course.
