

PRESTON PRIMARY SCHOOL

Week Eight Spring Term

WEEK EIGHT

If you are reading this - then you found the website! I will say again it is still not perfect but we think it is much improved in terms of being able to give you timely news. My job for next week is to get codes for you all so that you can book your own parents evening appointment through this ☺ watch this space, I'm a bit of a 'techy dinosaur' so please stick with me!

Coronavirus

As I explained a few weeks ago, we are being updated as a school daily on the plans and preventative measures to take. Last night the guidance changed, if you have travelled from ANYWHERE in Italy and develop a cough, cold or even a temperature in the last 14 days you must isolate yourself and phone 111. If you have travelled and been in contact with your children and then they do, you must also isolate and phone 111 for advice, thank you for your cooperation. Please be rest assured as a school we are following the guidance we have been given thoroughly to help keep everyone safe.

PTA Meeting

Advanced notice of the next PTA meeting which will be Wednesday 11th March at 7.30pm in the staffroom, please come join us.

World Book Day- 5th March

What a fab day it was yesterday. Only on WBD will you see a dinosaur riding to school! The children had a great time being immersed in books for an entire day. Mr Robinson has sent home our book treasure hunt which we hope will run and run. Please be mindful of where you hide the books, we don't want to be accused of littering or hurting animals. There is a dedicated Facebook page that you can post photos of the places you have found books, or even give clues for others to follow to find your book, let's keep the enthusiasm going.

"Books are a uniquely portable magic, it is like dreaming with your eyes open"
