

PRESTON PRIMARY SCHOOL

Week Eight Autumn Term

WEEK ENDING 10TH NOVEMBER

It has been great to see the children come back to school ready and raring to go. We have had a really busy week with lots of events happening.

This week in school

This week year 6 have attended an athletics festival where every pupil was able to experience differing events and races. They really enjoyed the afternoon. Year 1 have been on a walk around the local area to identify manmade and natural materials as part of their Geography topic. Reception have been learning all about the festival of Diwali.

Non Uniform Day and Christmas Fair

This year the Christmas Fair will be held on Friday 24th November from 5pm until 7pm. There will be a range of stalls, games, a raffle and much more. To support the Christmas Fair, school will be having a non-uniform day on Friday 17th November, children are asked, if they are able, to give a donation towards the tombola.

Volunteers Needed

The PTA need some help to ensure that there are enough volunteers to be on each stall during the Christmas Fair. If you are able to volunteer to help for some or all of the time please let either the school office know or message the PTA Facebook page.

Poppies

The year 6 children have been selling poppies and other poppy related items in school this week and during family groups the children have learned about Remembrance Day. This year we have decided to mark Remembrance Day by visiting our local war memorial on Monday morning. As a school we will say a few words and hold a two minutes silence together, before laying our wreaths.

Governor Vacancy

We currently have a vacancy for a parent school governor, if any parents are interested in the position or would just like to know more about what this role would entail please send an expression of interest by email to paul.sanderson@prestonprimary.co.uk

Fundraise and Recycle

Please bring in your old clothes and shoes to recycle using our clothing bin. This enables us to receive funding towards experiences for the children within school.

Have a lovely weekend

Mr Sanderson

Upcoming Events

Non Uniform Day

Friday 17th
November

Christmas Fair

Friday 24th 5pm
until 7pm

PD Days

Friday 1st
December and
Monday 4th
December
