

# PRESTON PRIMARY SCHOOL

Spring Term

## WEEK ENDING 15/03/2024

This week I had the pleasure of teaching in year 6 and this showed me the great work that is done in year 6 but also all of the hard work that has been put in over the previous years. Well done year 6!

### This week in School

This week Year 5 have been out rehearsing for Oliver at Teesside High in preparation for the show next week. I have enjoyed listening to their singing develop over the previous weeks. Year 2 have been planting seeds within their Science sessions and look forward to watching them grow. Year 4 have been making vegetable soup as part of their English topic work using the book Stone Soup. Reception have been observing some tadpoles this week as part of their change topic. The children have really enjoyed having them in their class.

### PD Day

Monday 18<sup>th</sup> March is a teacher professional development day. I often get asked what these days are used for, and I'm happy to say that this one will be used to refresh all staff members' first aid qualifications ensuring that all staff are up to date with the latest training.

### Red Nose day

It was great to see so many children wearing red for Red Nose Day and thank you for the kind donations that were made. We managed to raise £137.69 for this great cause so well done to everyone. I have heard and laughed at many jokes for the competition today and look forward to sharing the winner with you next week.

Have a lovely weekend

Mr Sanderson

## Upcoming Events

Professional  
Development Day,  
(children not in  
school) - Monday 18<sup>th</sup>  
March

Year 4 Tri Golf  
Competition
