

PRESTON PRIMARY SCHOOL

Spring Term

WEEK ENDING 10/05/2024

The sun has been out in earnest this week and the children have been really enjoying their time in the sunshine, please ensure your children come to school with sun cream and a hat on. This week I have been really pleased with how well the children have been working together as teams, it is always great to see the children supporting each other to achieve their best, a special shout out to year 5 who have set some great examples this week.

This Week in School

Yesterday, Year 2 and Year 3 had a visit from Esh Construction, they talked about the different jobs that can be done within this sector and the children had fun dressing up, role playing and learning. Year 6 have been busy preparing for next week's SATS and have continued to work in the school allotment. Year 3 attended a Quad Kids festival where they took part in four activities; a sprint, long distance run, howler throw and a long jump. They all had great fun!

Well done!

Congratulations to Florence and Henry who took part in Teesside's chess mega final. They both played excellent games of chess and have both qualified for the next round in Manchester. Florence has received the chess champion trophy for the under 8s competition as she scored the most points in her group. We wish them lots of luck in their next games.

PTA

The PTA would like to invite everybody to a meeting today straight after school in the staff room. We will be making the draw for the raffle and planning the summer fair.

A Message from the Office

Please remember to continue to send your children to school with a coat, the weather has improved lately but is still very changeable. We have a lot of lost property in school at the moment, if your child has lost anything please check the lost property table that will be on the yard after school today.

Have a lovely week

Mr Sanderson
