

PRESTON PRIMARY SCHOOL

Spring Term

WEEK ENDING 03/05/2024

This week the children have been enjoying some better weather in school at last! It has felt like it has rained since Christmas at times! Another busy week both in and out of school, this week. I have been visited by a number of children who have brought me their work and I have been so impressed, this time of year is when you can really see the progress that children have made since they started the academic year.

You may have heard that Preston Primary School have been in discussions about some additional SEN (Special Educational Needs) provision. A letter will be sent to parents next week containing details about the consultation process for this.

This week in School

Year 5 have been swimming this week and have made great progress, some children already achieving the level that is expected for year 6 and others building their water confidence. Well done to all! Nursery have been observing the life cycle of a caterpillar, with some of them growing to epic proportions. Reception report that their tadpoles have now developed into froglets and they are becoming more energetic. Year 6 have been on a visit to the school allotment and have begun to plan what they are going to grow.

PTA

The PTA would like to thank everybody for their kind donations for the raffle this morning. Raffle tickets have been given to children today and can be returned to school at any time over the coming week. The raffle will be drawn during the PTA meeting straight after school on Friday 10th May, everyone is invited to attend. During this meeting, we will also be planning the school summer fair and will be looking for extra people who are willing to help on the day, if you can offer some time to support please let the office know and they will pass on your details to the PTA.

A message from the Office

Our breakfast and afterschool club are very popular at the moment and we are nearly always fully booked. We have found that some people have booked places but then not used them meaning others have missed out. If you have booked a place for either of the clubs and find that you will not need the place please let the office know ASAP so the place can be reallocated.

Have a lovely week

Mr Sanderson

Upcoming Events
