

PRESTON PRIMARY SCHOOL

Week 1 Summer Term

WEEK ENDING 2ND MAY

A great first week back in school after the Easter break. I have been impressed with how well the children have been able to focus even in the very warm weather, well done everyone!

This week in school

Acorns focus this week has been 'under the sea' with lots of stories about fish and water play in the hot weather. Nursery have been learning about animals and their babies and been on a wonder walk to learn about their senses. Reception are waiting with baited breath for the arrival of their butterflies, they have learnt lots about life cycles. Year 1 have been making 3D art and have been focusing on counting in 10 in maths. Year 2 have been experimenting with mixing paint and water and how letting this flow on a page can create a piece of art. Year 3 have been dissecting plants and examining their different parts. Year 4 have been working on Charlie and the Chocolate factory in English and are preparing for their trip to York. Year 5 have been honing their PE skills this week with some rugby training. Year 6 have been making sure that they are ready for their SATs tests which are fast approaching and also that they are having lots of opportunities to take their learning outside.

PTA

The PTA have organised a summer hamper raffle, tickets will be sent out next week and be drawn on Friday 23rd May. To support this, school will be having a non-uniform day on **Friday 9th of May**, children are asked, if they are able, to give a donation towards the raffle. Each year group will be allocated a colour and a donation of something in that colour would be appreciated. Please do not worry if you are unable to do this. Children do not need to wear the same colour as their donation colour. Nursery - Red, Reception - Orange, Year 1 - Yellow, Year 2 - Green, Year 3 - Blue, Year 4 - Purple, Year 5 - Pink, Year 6 - Black and White, Acorns - rainbow colours.

Summer Weather

The weather this week has been very warm and sunny, can parents please remember to apply sun cream to the children before they come to school and ensure that they bring their water bottle and sun hat to school every day.

Arbor Parent Portal

Please can all parents ensure that they are signed up to the new Arbor system so that they can receive important information from school. Everyone should have received an email (which may have gone into your junk folder) with all of the details of how to sign up. If you have any issues or need any support please contact our school office.

Have a great long weekend!

Mr Sanderson
