

# PRESTON PRIMARY SCHOOL

Week 2 Summer Term

## WEEK ENDING 9TH MAY

It was great to see the children coming into school this morning dressed in a multitude of colours. I would like to thank everyone for their generous donations and wish everyone good luck in the raffle!

### This week in school

Year 6 have had a visitor in from Children challenging industry who did a workshop on micro-organisms. They also carried out an experiment to test for carbon dioxide to make active ingredients. Year 5 have been learning and writing about rivers as part of their Geography topic. Year 4 have been calculating food miles and using charcoal as part of their art topic. Year 3 have been carrying out an experiment to find out what plants need to grow and learning the skills they will need to play bench ball. Year 2 have been reading The Lighthouse Keepers Lunch and writing their own recounts. Year 1 have been designing hats as part of their topic about the book I want My Hat Back. Reception have been focusing on maths this week and counting on from 10. Nursery have been reading The Three Little Pigs and have been making houses with different materials. Acorns have been learning about under the sea and the different things that live there. They have also been focusing on creating art from what they have learned.

### PTA

Thank you to everyone who has already sent their raffle tickets and money back into school. The raffle will be drawn on Friday 23<sup>rd</sup> May by the PTA so please get your tickets into school before then. If anyone would like more tickets then please let school know and we will forward some on. The next PTA meeting is Friday 23<sup>rd</sup> May straight after school in the staff room. All are welcome.

### Parent Survey

This week I sent out a parent survey about afterschool clubs and have had a great response, thank you. If anyone else would like to contribute please send in your completed forms asap.

### Arbor Parent Portal

Thank you to everyone for their patience and understanding about our new Arbor system, we are working closely with Arbor to ensure that the system runs properly and that parents are getting the information that they need. I know that there has been an issue with emails going to junk folders and we have been assured that this will soon be rectified. If you experience any issues please contact school and we will endeavor to help.

Have a great weekend!

Mr Sanderson
