

PRESTON PRIMARY SCHOOL

Week 5 Summer Term

WEEK ENDING 20TH JUNE

Another scorcher in school this week. The children have managed the heat well and we have been encouraging the children to have lots of drinks and stay out of the sun as much as possible. Please remember to put suncream on your children before they come to school and send them with their water bottle and a cap.

This week in school

Nursery have been continuing to learn about Goldilocks and the Tree Bears. They have made porridge and looked at different materials to make chairs for the bears to sit on. Reception have been on their school visit to Butterfly World, they also saw meercats and red crested birds. Year 1 have had their end of year assembly and were amazing! They have also been looking at different types of fruit that they will be making into juice as part of their DT topic. Year 2 have been learning about food chains as part of their science topic. Year 3 have been taking close ups of flowers as part of their science. They have also taken part in a netball competition. Year 4 have finished their multiplication tests and have been working on their end of year assembly. Year 5 have walked to church to view the Life Exhibition. Year 6 have been on several visits this week including a cricket competition and Yarm school for a STEM day. Acorns have been reading The Tiger who Came to Tea and have been engaging in lots of activities based on the book. Acorns also have their school photographs next Wednesday.

Parent Survey

Thank you to everyone who responded to my parent survey about after school clubs, we have had a great response to this and I have a meeting arranged to plan out our after-school club offer for next academic year. More details for this will follow.
