

PRESTON PRIMARY SCHOOL

Week 6 Summer Term

WEEK ENDING 11TH JULY

Wow - what a busy (and hot!) week in school yet again. The summer holidays are rolling around fast and our children continue to amaze us every day with their attitudes and resilience, especially in this heat! Please make sure you apply suncream to your child and send them with sun hats in this lovely weather...long may it continue!

Summer fair - today!

Please come along and support our school as we welcome the community for our annual PTA summer fair. There will be lots of fun and games, prizes to be won and the BBQ will be fired up. A lovely way to socialise with our community at the end of a busy week.

Sports week next week

We have a lovely week of sports activities and fun next week - please send children in their PE kits all week. On Monday, we have our inflatables day so children will need their legs covered (leggings/joggers etc) so that they don't get friction burns! They are welcome to bring shorts to change into for the rest of the day if it is still hot.

In school this week...

Acorns children are looking forward to their end of year celebration with lots of fun and games next week! Nursery children blew our socks off with their Hungry caterpillar performance! In Reception, the children have been reading 'The Tiger who came to Tea'...keep a close eye on your fridges at home! Year 1 children have been learning how to use the 'Scratch' computing program. In Year 2, children are having fun practicing for sports day next week - get ready to cheer them on! Year 3 children have been writing alternative endings for 'The Three Little Pigs' - ask them what happens in their version... In Year 4, children have been learning roman numerals and are very proud of their school reports that have been sent out this week. Year 5 children have been making scones, although they seem to have missed the staff room...hungry staff looking for scones! Finally, our Year 6 children have been working hard on their performance which will be a treat for their adults next week.

A reminder of our Academic Year 2025/2026 PD days

The school professional development days are as follows for the next school year

Monday 1st September, Monday 8th December, Monday 5th January, Monday 20th July and Tuesday 21st July

Have a lovely weekend

Mr Sanderson
