

# PRESTON PRIMARY SCHOOL

Week 13 Autumn Term

## WEEK ENDING 12TH DECEMBER

What a busy week, school has been a real hive of activity! The children have been working really hard and I have seen some lovely pieces of writing this week. Everyone in school has been enjoying the antics of the elves and we are looking forward to showing our Christmas performances to parents next week.

**This Week in School** - Year 6 have been designing, planning and evaluating their Christmas stalls to raise funds for their London trip. Year 5 have been making moving toys in their design technology lessons and retelling a familiar story but from the point of the villain. Year 4 have been writing about a giant as part of their English and editing pictures of themselves in computing. Year 3 have been doing lots of maths and working hard on their times tables. Acorns have been learning about the nativity and exploring the different roles. Year 2 have been making trees in art and working on their Christmas performance in music. Year 1 have been making moving cards and learning some new songs in music. Reception have been looking at the Christmas story and practicing the nativity. Nursery have had a trip out to Preston Park and have been enjoying the elf workshop in the classroom.

**Christmas Dinner Day** - Due to a supply issue, we have had to change Christmas dinner day to Wednesday 17<sup>th</sup> instead of Thursday 18<sup>th</sup> December. If you have already placed an order, can you please re-order. If you would like to order a delicious lunch for your child/children please order asap via Schoolgrid.

**Christmas Jumper Day** - We are having Christmas Jumper Day in school on Thursday 18<sup>th</sup> December. We have some Christmas jumpers, that have very kindly been donated, in our school office/reception area. Please feel free to come and take one if you need one.

**Christmas Fair** - I would just like to say a massive thank you to all of the volunteers who came and worked really hard last night to ensure that the fair was a great success. I would also like to thank all of the members of the PTA who helped organise everything leading up to the fair. The children have told me that they loved it and we have raised a lot of money that will all be reinvested back into school to support the children.

**Wrap Around Care** - The children have now moved into the new building that we are calling the Oasis and are absolutely loving the space. If you are dropping off or collecting children, please use the gate closest to wrap around and not the main office gate. There is a key pad on the gate that links directly to the Oasis and they will be able to buzz you through the gate. This is to ensure the school grounds are secure at all times.

**Parking** - This week parking has been a real issue with one of our local residents having their car damaged. Please take care when driving near to school to help keep everyone safe. Please do not park in the road directly next to the school gates or block the road by leaving your car either in the middle of the road, or half in the staff car park. Complaints to the council have been made by residents and parking enforcement officers will be monitoring the situation.

Have a wonderful weekend - Mr Sanderson

## Upcoming Events

### PE timetable

Nursery - Thursday  
Reception - Thursday

Y1-Friday

Y2- Wednesday

Y3- Friday

Y4- Wednesday

Y5- Monday

Y6- Tuesday

### Christmas Performances

Key Stage 1 Monday  
15<sup>th</sup> December  
9.30am

Nursery 9.30am and
