

# PRESTON PRIMARY SCHOOL

Week 7 Spring Term

## WEEK ENDING 20TH FEBRUARY

The final week of a very full half term has come around, and the children have been kept very busy with visitors coming into school and trips to different events. I have enjoyed working with the school council this week who have started to gather their ideas together for how we can make the school even better, more coming over the next few weeks.

### This Week in School

This week year 3 have enjoyed a money workshop with our visitors from Santander bank learning about financial literacy. Year 4 have been writing diary extracts in English and working on their times tables. Year 5 have been visited by the music teacher who has been teaching them songs that they will then perform at a production at Teesside High. Year 6 have been raising money towards their London trip later in the year by having a cake stall. They raised a very notable £156.20 well done to all of them. Acorns have been celebrating Pancake Day and learning about the traditions surrounding this. Year 1, in DT, have been focusing on comparing different structures around them. Year 2 have had a focus on adding 2-digit numbers in their maths. Reception have made pancakes and been focusing on the schools' golden rules. Nursery have been looking at Chinese New Year and pancake day and trying food associated with these. Squirrels have been reading the book 'Mr Wolf's Pancakes' and enjoying investigating shape.

### World Book Day

This year on World Book Day we would like to have a whole school theme of **Where's Wally?** Teachers and children will be dressing up as Wally and carrying out activities across the day based upon this set of books. This will take place on Wednesday 4th March. If you need any support with this, please let school know.

### Staffing

Today we say a sad farewell to Mrs Natrass who is moving on to new challenges. She has been at Preston for nearly 3 years and during this time she has made a massive difference to the children. Everyone will miss her and we all wish her well for the future.

### Uniform

We take great pride in our school uniform at Preston and have noticed that some children are not following the school rules. Please ensure that children DO NOT wear earrings, make up, false eyelashes, colour their hair or wear inappropriate shoes. PE kit should only be worn on the class PE day.

Have a wonderful half term and enjoy your time together.

Mr Sanderson
