

PRESTON PRIMARY SCHOOL

Week 8 Spring Term

WEEK ENDING 6TH MARCH

A great time was had in school this week which led up to our World Book Day celebrations. I loved welcoming all the children through the gate looking like Wally and particularly enjoyed seeing the parents who had also joined in and hope they enjoyed their prize for taking part! We held a competition for the best classroom door decoration which the children loved, and staff became very competitive with. Results and prizes for this will be revealed in today's celebration assembly.

This Week in School

This week Nursery have enjoyed reading Spot's Birthday Party and planning the celebration for today. Reception have been learning about the Great Race and enjoyed their Holi dance with their parents. Year 1 have been learning about the days of the week and months of the year. They have also been looking at wheels as part of their DT project. Year 2 have been learning about Africa and linking this to their English work on 'Bringing the Rain to Kapiti Plain'. Acorns have been searching for the signs of spring, and some children have begun their swimming lessons. Squirrels have also begun some swimming lessons and have been reading Paper Dolls and making their own. Year 3 have been learning about Fantastic Mr Fox. Year 4 have been finding out about the Rocky Mountains and investigating waves. As part of their topic about Ancient Greece, year 5 have been holding debates about Athens. Year 6 enjoyed their trip to Darlington library where they took part in a computing workshop.

World Book Day

This year's World Book Day, with theme of **Where's Wally?** had teachers and children dressing up and carrying out activities across the school day. The children absolutely loved it, engaging with all the activities and making many positive memories linked to a love of reading. I would like to thank the parents who helped throughout the day to make a video and take lots of pictures. These will be added to our Facebook and Instagram accounts as soon as they are completed.

Attendance

Congratulations to Year 3 for achieving the highest attendance this week!

Enjoy your weekend!

Mr Sanderson
