

PRESTON PRIMARY SCHOOL

Week 1 Summer Term

WEEK ENDING 24TH APRIL

Welcome back to what promises to be a very busy term full of lots of exciting activities and learning. We have invested lots of time and money into our Nursery classroom over the Easter holidays, staff worked very hard to transform the Nursery and the children have loved all the new resources.

This Week in School

This week year 6 have been planning their arrival story as part of their English work. Year 5 have enjoyed working with Mrs Norris, our music teacher, learning to play the keyboard. Year 4 have been making audio recordings and have created mood boards as part of Art. Year 3 have started their new science topic all about plants. Year 2 have been investigating habitats and have explored what these look like. Year 1 have been on a visit to Darlington library as part of their computing topic and been programming robots. Reception have been investigating change and waiting for their caterpillar to grow. Nursery have enjoyed working in their new areas and perfecting their tidying skills. Acorns have been learning about people who help us, including the emergency services. Squirrels have been exploring beebots in computing as well as becoming human beebots.
