

# PRESTON PRIMARY SCHOOL

Week 5 Summer Term

## WEEK ENDING 22<sup>TH</sup> MAY

This half term has been a really busy one where the children have completed a range of activities and continued to work hard. Mr Armstrong, Mrs Richardson and I had the pleasure of looking at lots of applications for the competition to go to London to visit parliament. The competition was fierce and there were so many outstanding entries it made us all proud of our creative and inventive children.

### This Week in School

This week Acorns have been developing their understanding of money and how it is used. Squirrels have been learning about the Romans and making Roman food. Nursery have been looking at the letter x in phonics and talking about and drawing their favourite animals. Reception have been reading Jack and the Beanstalk and looking at different story endings. Year 1 have been learning about the Royal Family as part of their history topic. Year 2 have been learning about flight and tested their own planes. Year 3 enjoyed writing their own fables as part of their English topic. Year 4 have been exploring different painting materials in Art. Year 5 have been practicing a range of events in PE including the long jump and running. Year 6 have had Drake's book shop come into school and work with them to develop both their love of reading and their financial literacy.

### World Maths Day

World Maths Day yesterday was a great success with children enjoying a wide range of maths activities throughout the day from playing bingo to a quiz linked to number facts about staff!

### School Fair

The PTA are hard at work planning and organising the school summer fair which will be held on Friday 3<sup>rd</sup> July from 5pm until 7pm. There will be lots of stalls, food and drink, games and activities to keep you entertained. We have also arranged for our school uniform provider to attend, and they will be happy to take orders.

### Parent shoutout

I would just like to wish good luck to Mr Smith who is running in the Edinburgh Marathon on 24th May raising money for Neurodiverse children.

[Crowdfunding For Good From JustGiving](#)

### Attendance

Congratulations to Year 4 who had the highest attendance this week!

Have a great week off school and enjoy the weather.

Mr Sanderson

## Upcoming Events
