

PRESTON PRIMARY SCHOOL

Week 10 Summer Term

WEEK ENDING 10TH JULY

With a week until the summer holidays begin, our children continue to make us proud, showing their resilience - especially to this latest heatwave! Please remember to send your child to school in appropriate clothing, suncream and with a sun hat.

This Week in School

Children are working hard this week despite the very hot temperatures! We have seen fun and games in sports day practices, lots of rehearsals for performances and Y5 children have been in training for their responsible roles in Year 6. Children have enjoyed playing in the sunshine and making healthy snacks in their DT lessons.

Summer Fair

Thank you to our school community for making our summer fair such a success, it was a wonderful opportunity to come together and have some fun!

Mrs King

Mrs King has been our family liaison officer for several years and has decided to take a step away from this role next year. She will continue with her role as a class teacher in Year 6, so this is not goodbye, just a heartfelt thanks for all the hard work she has done. We will be appointing a new pastoral manager for September. Please continue to direct any queries to the school and someone will be happy to help.

Judith Wise

Our Educational Psychologist Judith is retiring, and we wish her well on her next chapter as she travels the world and enjoys a well-deserved rest! We have a very experienced EP, Sandra Meehan joining us who will take over this role in September. Please get in touch with Mrs Robb if you have any more questions about this.

Messages from the Office

As we approach the end of the school year, please can **all parents** make sure that their accounts for trips, breakfast, after school clubs and dinners are all paid to a zero balance so that the office staff can complete their end of year processes.

Attendance

Congratulations to Year 3 who had the highest attendance this week!

Have a great weekend.

Mr Sanderson
